As we began another busy school year and welcomed 137 new, eager and enthusiastic students to the Academy, I took a moment, paused, and commented to myself, “Things are good.” With an enrollment of nearly 500 students, our new Athletic Center ready to open, our iPad and STEM Initiatives up and running, and our new Tao Retreat taking hold, it is a great time to be at Buffalo Academy of the Sacred Heart. The Board of Directors, teachers, staff, parents and students can lay claim to much of the Academy’s success. With their vision, dedication, commitment and hard work, we continue to be ranked among the top three schools in Western New York by *Business First* and have received special recognition in each academic category. As all of this is happening, our Franciscan Spirit has never been more palpable throughout the building.

There is, of course, another significant component to the Academy’s success: our loyal supporters and benefactors. Welcoming 137 smiling faces would be an impossibility without the additional funding for scholarships and financial aid for these deserving young women provided by your generosity. Likewise, without your support for our new Athletic Center, instilling a commitment to lifelong health and wellness for our students in a state-of-the-art facility simply would not be possible. In addition, funding from our generous supporters and donors, allowed us to stand beside our parents and make a \$118,000 invest in our infrastructure and network on campus in order to offer a 1:1 iPad Initiative to our students this year. Our entire STEM (Science Technology Engineering and Math) Initiative allowing our sophomores and juniors the opportunities to accomplish college level work in math and science and providing gifted students with an internship in their chosen STEM field was funded by the John R. Oishei Foundation. Finally, your donations also let us embrace and say “yes” to a student-conceived, overnight Tao Retreat that had not been budgeted. This retreat allowed the student visionaries to hone leadership skills and student participants to grow deeper in their faith.

All of these initiatives are changing girls’ lives for the better! Each donation allows us to more fully reach our vision of “empowering young women through excellence in education.” In the busyness of everyday life, I encourage you to take a moment, pause and feel good about choosing to support Sacred Heart Academy. Thank you for all you do and for all you allow us to do!

In gratitude,

*Jennifer M. Demert*

# Loyalty Fund Alumnae Giving

Alumnae Contributions comprise the majority of our Annual Fund. 🌸 The loyalty and generosity of our alumnae allow us to continue to attract girls to the vibrant and balanced high school experience at Buffalo Academy of the Sacred Heart. 🌸 Many alumnae report their satisfaction in “paying it forward” to this generation thereby ensuring today’s students have the same sense of school spirit and sisterhood they experienced.

*Celebrate Our Tradition, Build Our Future*

# Capital Campaign

In 2012, Buffalo Academy of the Sacred Heart launched the Celebrate Our Tradition-Build Our Future campaign. 🎉 In the fall of 2012, nine new classrooms were open and this fall, the ribbon was cut for our new Athletic Center. 🎉 Some donors have designated their campaign gifts to build the Academy's endowment. 🎉 We thank our patrons for their generosity and are grateful they have made our vision a reality.
