

# WINTERSPACE CAMPS

## Morning Camps (9 am – 12 noon)

### Beautiology-The Science Behind Beauty

Spend a week with hands-on science fun. Activities to include making your own beauty products, using the microscope to analyze hair and nails, and investigating the science behind the products we use while sending positive messages about young women and beauty.

### Winter Warm Up

Spend a week staying warm by learning some new activities. This camp will include sessions in yoga, volleyball, dance, bowling, eclipse ball, and other fun sports.

## Afternoon Camps (12:30 – 3:30 pm)

### Make It!

Learn how to make new things... daily projects to include a duct tape creation, a new look for your bedroom, items to personalize your dining room table, and making your own pen and stationery set.

### Filmmaking Camp

This hands-on camp will focus on the process of filmmaking using Windows Movie Maker. You will learn how to write, film and edit your own movie including storyboarding, points of view, camera angles, special effects and music.
